

Icosavax Job Description

Executive Assistant

SUMMARY: Icosavax, Inc. (NASDAQ: ICVX) is a publicly traded biopharmaceutical company leveraging its innovative VLP platform technology to develop vaccines against infectious diseases, with an initial focus on life-threatening respiratory diseases. Icosavax's VLP platform technology is designed to enable multivalent, particle-based display of complex viral antigens, which it believes will induce broad, robust, and durable protection against the specific viruses targeted. Icosavax's pipeline includes vaccine candidates targeting respiratory syncytial virus (RSV), human metapneumovirus (hMPV), and severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). Based in Seattle, Icosavax was formed in 2017 to advance the breakthrough VLP technology from the Institute for Protein Design at the University of Washington with the goal to discover, develop, and commercialize vaccines against infectious diseases.

Icosavax seeks to hire an Executive Assistant to join our rapidly growing team in Seattle. The Executive Assistant will provide support to our executive leadership team and the HR function. The ideal candidate will be a proactive problem solver with strong written and oral communication skills, exceptional attention to detail, and the ability to exercise good judgment in a diversity of situations and manage multiple priorities in a fast-paced office environment.
